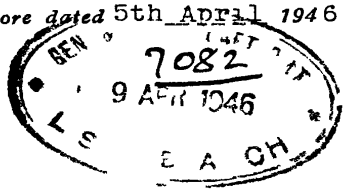
CITY MUNICIPAL OFFICES,

Bangalore dated 5th April 1946



FROM

SAFI DARASHAH, ESQ, B A
Municipal Commissioner
Bangalore City

To

J B Mallaradhya, Esq, M A,
Secretary to the Government of Mysore,
Revenue Department, Bangalore

SIR,

I have the honour to state that some of the Major City Improvement Works such as cement concreting roads and foot paths and providing cement concrete grouting for pitching in the lanes of the Bangalore City are being executed departmentally in this Municipality and it has been proposed to issue cement departmentally to the contractors who have been entrusted with the municipal works as they frequently stop the execution of the works on the plea of non-availability of cement

2 The total quantity of cement required for the year 1945-46 will be 840 tons for the several works as noted in the enclosed statement received from the Municipal Engineer

3 The Municipal Council at their meeting held on 29-3-1946 have sanctioned the purchase of 840 tons of cement for Engineering works of this Municipality during the current year A copy of the said resolution is herein enclosed for favour of obtaining sanction of Government thereto as the cost exceeds Rs 5000/-

I have the honour to be,
Sir,
Your most obedient servant,

Subject - Purchase of 840 tons of cement

SIR,

With reference to your letter No L 11368 dated 18-4-1946 re the above, I have the honour to state that there is no sanctioned limit fixed in this respect The cost will be debited to several works for which the cement is required, and there is no separate budget grant as such for the purchase of cement

2 The expenditure will be met out of the advance in the first instance and then charged to several works as per sanctioned estimates

3 A copy of the Government Order No L 832-4/M1 10-45-22 dated 6-8-1945 sanctioning 100 tons of cement for the year 1944-45 is herein enclosed as desired

4 The stock of cement on 1st April 1946 was 3245 bags, and the entire stock is kept in the Municipal Stores, a stock book being maintained by the Store-keeper of the Engineering Section The receipt, issues and balance are being checked every now and then by the Municipal Engineer

5 During the current year 330 tons and 15 cwts of cement has already been expended on works About

p t o

70 tons of cement is urgently required for the remainder of the current year

6 The Government in their order No L 10560-2/M1 10-45-194 dated 9-4-1946 have sanctioned the purchase of 200 tons of cement during the current year, and it is therefore requested that sanction of Government may kindly be obtained for purchasing the remaining quantity of 200 tons during this year

I have the honour to be,
Sir,
Your most obedient servant,

Municipal Commissioner

Letter No A2 P R 1237/44 dated 5th April 1945 from the Municipal Commissioner, Bangalore City, requesting sanction for the purchase of 100 tons of cement at a cost of Rs 7,350/- and to the payment made, debiting the cost to the "Advances" in the first instance

2 U O Note No 374/CLAD dated 22nd May 1945 from the Comptroller to Government, on the subject

Order No L 832-4/M1 10-45-22 Dated, Bangalore, 6th Aug 1945

The Municipal Commissioner, Bangalore City, reports that 100 tons of cement were purchased from the Mysore Iron and Steel Works, Bhadravathi, in November 1944, for the use of the Municipality, and that the bill was paid in February 1945, charging the amount to "13 Advances" in the first instance, as no specified provision had been made in this behalf in the Budget of the Bangalore City Municipality As the cost of the cement exceeds Rs 5,000/- he has requested sanction of Government to the purchase and to the payment made in this behalf, debiting the cost to the head Advances as resolved by the City Municipal Council at their meeting held on 22nd March 1945 The above purchase of the cement from the Mysore Iron and Steel Works at a cost of Rs 7,350/- is sanctioned The amount required for the purchase should either be covered by additional grants (for fresh estimates) met by re-appropriation of funds

2 The proposal to debit the cost of cement under "Advances" which is also a suspense head of account, is also approved, subject to maintenance of regular stock Accounts for Receipts, Issues and Balances and regular clearance every month, as issues are made to works

Memo No E2 Pr 60/45 dated 31-10-1946 from the Municipal Engineer, Bangalore City Municipality

---

There was a balance of 182 tons and 7 Cwt Cement on the 1st July 1945 Orders were placed for purchase of 840 tons of cement with Bhadravathi Iron & Steel works during 1945-46 495 tons and 10 Cwt of cement was purchased till the end of 30th July 1946from Bhadravathi and the Cement Marketing Co , as there was very urgent necessity of cement for works, the total quantity being (182 tons 7 cwt + 495 tons 10 cwt =677 tons 17 cwt) 514 tons of cement was used for the works during 1945-46 Sanction of Government has been obtained for the purchase of 200 tons of cement from the Cement Marketing Co , during 1945-46 (vide G O No L 10560-2/M1 10-45-194 dated 9th April 1946) Further sanction of Government has to be obtained for the balance of 295 tons 10 Cwt Reference may kindly be made to the Government to accord sanction for the same

We require 767 tons of cement for the Municipal works during the year 1946-47 The Bhadravathi Iron & Steel Works have supplied 514 tons of cement (being the balance of 840 ton of cement indented during 1945-46) after 1st of July 1946 So this has been taken into stock and counted against the requirement of 1946-47

The balance of cement will be purchased during the year Sanction of Government may kindly be obtained both for the quantity of cement purchased during 1945-46 and also the quantity of cement required for the year 1946-47

The bills of Bhadravathi Iron & Steel Works amounting to Rs 20,910-10-0 for the supply of cement are pending payment for want of competent sanction for the purchase made The Company is reminding for early payment Orddrs may kindly be passed to admit these bills in audit provisionally pending sanction of Government
